 Inspector

**TERMINATION OF PERMIT BY OWNER**

In the event of termination or cancellation of a permit by an owner, the owner must notify the city in writing of said termination and notify the City of the name of the substitute or replacement contractor, if any. The permit shall be amended effective on the date of notice of the substitute or replacement contractor form from the owner. The owner shall pay the sum of \$60.00 for the substitution and/or replacement of a contractor. **During new construction and renovations back-flow preventers are required to be installed on all residential water lines.**
