**COOPERATIVE ENDEAVOR AGREEMENT BETWEEN THE
CALCASIEU PARISH POLICE JURY
AND THE CITY OF SULPHUR**

STATE OF LOUISIANA
PARISH OF CALCASIEU

THIS AGREEMENT is hereby made and entered into this _____ day of _____ 2025, by and between the CALCASIEU PARISH POLICE JURY, hereinafter referred to as "PARISH," a political subdivision of the State of Louisiana, represented herein by its duly authorized Administrator, Dane R. Bolin, and the City of Sulphur, hereinafter referred to as "CITY," a political subdivision of the State of Louisiana, and represented herein by its duly authorized Mayor, Mike Danahay.

WHEREAS, Article VII, Section 14(C) of the Constitution of the State of Louisiana provides that "for a public purpose, the State and its political subdivisions or political corporations may engage in cooperative endeavors with each other, with the United States or its agencies, or with any public or private association, corporation, or individual;"

WHEREAS, the CITY has a legal obligation of providing and maintaining public infrastructure for the benefit of the citizens of the CITY;

WHEREAS, the PARISH has the authority under Louisiana Revised Statute 33:1236 to provide and maintain public infrastructure for the benefit of the citizens of the PARISH; and

WHEREAS, the PARISH considers the public benefit of overlaying a portion of Kim Street to be proportionate to the costs associated with this activity.

NOW THEREFORE, the PARISH and the CITY do mutually agree to the following terms and conditions of this agreement:

1. Scope of Agreement

The PARISH and the CITY hereby agree to overlay approximately 2,355' of Kim Street (see attached Exhibit A), hereinafter referred to as "PROJECT." The PARISH shall be responsible for the overall administration and management of the PROJECT in accordance with all plans and specifications of the construction contract, including engineering, inspections, approval of invoices, etc.. The CITY shall reimburse the PARISH for the CITY's share of the construction cost based upon the percentage of the PROJECT's roadway located within the CITY limits. Where the road is adjacent to, but not within the city limits, the CITY and PARISH shall equally share the cost as provided for in Louisiana Revised Statute 33:224.

2. Term of Agreement

The initial term of this agreement shall commence upon execution of this agreement and shall continue until the completion of the project listed in the Scope of Work and all payments have been made.

3. Payment Terms

Under this agreement, the CITY shall reimburse the PARISH for the CITY's share of the construction cost as defined in the scope of work above.

The construction cost for the overlay of Kim Street is currently estimated to be one hundred eighty-seven thousand six hundred fifty dollars (\$187,650.00). The CITY's reimbursement to the PARISH for Kim Street is calculated at fifty percent (50%) of the construction cost, or ninety-three thousand eight hundred twenty-five dollars (\$93,825.00) as shown in the cost share breakdown attached hereto as Exhibit B. The PARISH will issue an invoice to the CITY for its share of the cost upon completion of the project. The actual reimbursement amount to be paid by the CITY shall be based on the total actual cost incurred for the PROJECT.

If this agreement extends beyond the current fiscal year and notwithstanding anything to the contrary and when applicable, both parties acknowledge and agree that pursuant to the applicable state law, this agreement is subject to an annual appropriation dependency requirement to the effect that the renewal of this agreement is contingent upon the appropriation of funds by either party to fulfill any future payment requirements of this agreement. If either party fails to appropriate sufficient monies to provide for any future payment requirements under this agreement, this agreement shall terminate on the last day of the last fiscal year for which funds were appropriated.

4. Amendments and Assignments

If there is a need to review and/or revise this agreement, the requesting party shall submit a written amendment to the other party, with the understanding that no amendment to this agreement shall be valid unless it is agreed to and signed by both parties. This agreement shall not be assignable by either party without the written consent of the other, except for assignment resulting from merger, consolidation, or reorganization of the assigning party.

5. Records and Audits

For audit purposes, all records will be made available by both parties to any authorized representative of either party and said records will be retained for three (3) years from the final contractual payment under this agreement. It is also agreed that all records shall be made available to either party at no additional charge for such information. If any confidential information is obtained during the course of this agreement, both parties agree not to release that information without the approval of the other party unless instructed otherwise by court order, grantor, auditor, public information request or as required by law.

Act 290 of the 2011 Legislative Session requires that a governmental entity that provides funding to a quasi-public agency or body shall notify each such quasi-public agency or body of the requirement to provide the Legislative Auditor with the name of the individual responsible for filing annual financial reports with the Legislative Auditor. The quasi-public agency or body shall notify the Legislative Auditor of the name and address of the person so designated.

6. Liability, Indemnity and Insurance

The PARISH is responsible for the maintenance, upkeep and any insurance requirements related to the operations or activities associated with this agreement. All related costs associated with this requirement are the sole responsibility of the PARISH.

This agreement is intended for the benefit of the PARISH and the CITY and does not confer any rights upon any other third parties. All rights by and between the PARISH and the CITY are limited to the actions outlined in the applicable local, state and federal laws, regulations and policies.

The PARISH will indemnify, defend, and hold harmless the CITY, including the CITY's employees and agents, from and against any and all claims or liabilities arising from the fault of the PARISH, its employees or agents in carrying out the PARISH's duties and obligations under the terms of this agreement. The CITY will indemnify, defend, and hold harmless the PARISH, including the PARISH's employees and agents, from and against any and all claims or liabilities arising from the fault of the CITY, its employees or agents in carrying out the CITY's duties and obligations under the terms of this agreement. This section will survive the termination of this agreement. In the event that either party takes any action to enforce this mutual indemnity provision, the prevailing party shall be entitled to recover reasonable attorney's fees and costs arising as a result thereof.

7. Termination of Agreement and Dispute Resolution

While both parties agree to negotiate all contractual disputes in good faith, the PARISH and the CITY both reserve the right to terminate this agreement at any time upon written notice of termination. In the event of early termination, the CITY shall be responsible for payment of its share of the costs for all project activity completed up to the effective termination date. If the parties are unable to independently and satisfactorily resolve any disagreement then both parties agree that any contractual disagreement will be resolved under the jurisdiction of the 14th Judicial District Court for Calcasieu Parish, Louisiana. In the event that court action is necessary then the parties agree that whoever prevails in the litigation is entitled to reasonable attorney's fees and costs as fixed by the Court.

8. Severability, Entire Agreement and Captions

This agreement shall be governed by and construed in accordance with the laws of the State of Louisiana. If any provision of this agreement is held invalid, void or unenforceable under any law or regulation or by a court of competent jurisdiction, such provision will be deemed amended in a manner which renders it valid, or if it cannot be so amended, it will be deemed to be deleted. Such amendment or deletion will not affect the

validity of any other provision of this agreement. This agreement, any attached documents, and any referenced documents represent the entire agreement between the PARISH and the CITY and supersede all prior negotiations, representations or agreements, either written or oral. In the event of a conflict between this agreement and other documents, the terms of this agreement shall control.

Each paragraph of this agreement has been supplied with a caption to serve only as a guide to the contents. The caption does not control the meaning of any paragraph or in any way determine its interpretation.

9. No Authorship Presumptions

The PARISH and the CITY have had an opportunity to negotiate the language of this agreement in consultation with legal counsel prior to its execution. No presumption shall arise or adverse inference be drawn by virtue of authorship. The PARISH and the CITY hereby waive the benefit of any rule of law that might otherwise be applicable in connection with the interpretation of this agreement, including but not limited to, any rule of law to the effect that any provision of this agreement shall be interpreted or construed against the party who (or whose counsel) drafted that provision. The rule of no authorship presumption set forth in this paragraph is equally applicable to any person that becomes a party by reason of assignment and/or assumption of this agreement and any successor to a signatory party.
