POINTS TO REMEMBER ABOUT YOUR OCCUPATIONAL LICENSE

Every separate location of a business needs an occupational license.

- Are you a Contractor, New Business or Home Business
(This will determine type of license you need)

Should the location of a business change?

- Notify the License Department of your new address.
- Obtain a Certificate of Occupancy for the building you are occupying.

Contact the License Department when you have an Ownership change.

Contact the License Department when you close your business.

A license is only valid until December 31st of the year it is issued.

When food is involved, you must contact the Calcasieu Parish Board of Health for an inspection.

A copy of a current inspection is required before licensing.

When alcohol is involved, you must obtain a City of Sulphur and State Alcohol Beverage License.

Before any alteration is made to the building you must notify the Permit Office

Questions about your business activity, please do not hesitate to call:
