

# Sulphur Hurricane Laura Commercial Debris Removal

The City of Sulphur has been approved by the Federal Emergency Management Agency (FEMA) for the removal of debris generated from Hurricanes Laura and Delta from limited, small business properties. Commercial Properties that reside on City Maintained Roads or State Routes will have **one opportunity** to have debris removed by City Contractors.

## Commercial Debris Removal Process

Please have all Hurricane debris on the Public Right-of-Way **no later than** December 13, 2020.

Commercial Debris Removal efforts will begin on December 14, 2020 and continue through December 22, 2020 with no extensions. **Debris moved to the right of way after the initial pass will not be removed.**

Debris generated in areas such as shopping centers, industrial parks or manufacturing facilities will not be eligible for removal.

Please call 337-527-4500 with eligibility questions, concerns, and to report any insurance proceeds collected for debris removal. If your insurance covers debris disposal, insurance must be utilized for debris removal.
