## Entry-Level Firefighter & Entry-Level Police Officer Civil Service Regional Testing

[www.ose.louisiana.gov](http://www.ose.louisiana.gov)

As of August 1, 2020, the Office of State Examiner is now responsible for calling for, accepting applications, administering the exams **and maintaining the eligibility list for the Entry Level Firefighter and Entry-Level Police Officer Exams**. To apply to take the Firefighter or Police Officer exam, the application must be received during the 10-day posting period.

**This will be the ONLY way to apply to take the exam.** OSE will not accept applications by mail. Applications received before or after the 10-day posting period will be automatically rejected.

Applicants will receive notification of acceptance 5 days prior to the test date via email provided on the application. This is also how each applicant will receive their test score.

The OSE suggests that interested applicants check the OSE website weekly for new exam and posting period dates. Additional information concerning this process is available on OSE website.
