**COOPERATIVE ENDEAVOR AGREEMENT BETWEEN THE
CALCASIEU PARISH POLICE JURY
AND
THE CITY OF SULPHUR**

STATE OF LOUISIANA
PARISH OF CALCASIEU

THIS AGREEMENT is hereby made and entered into this _____ day of _____ 2021, by and between the CALCASIEU PARISH POLICE JURY, hereinafter referred to as "PARISH," a political subdivision of the State of Louisiana, represented herein by its duly authorized Administrator, Bryan Beam, and the CITY OF SULPHUR, hereinafter referred to as "CITY," a political subdivision of the State of Louisiana, and represented herein by its duly elected Mayor, Mike Danahay.

WHEREAS, Article VII, Section 14(C) of the Constitution of the State of Louisiana provides that "for a public purpose, the State and its political subdivisions or political corporations may engage in cooperative endeavors with each other, with the United States or its agencies, or with any public or private association, corporation, or individual;"

WHEREAS, the PARISH has the authority under Louisiana Revised Statute 33:1236(2)(c) to assist the CITY with "the repair, maintenance and care of roads, streets, alleys, bridges and culverts and other drainage facilities situated within and under the jurisdiction of such incorporated municipalities, and may expend for such purposes any funds made available to them for road purposes" for the benefit of the citizens of Calcasieu Parish;

WHEREAS, the CITY has a legal obligation of maintaining the roads, streets, alleys, bridges and culverts and other drainage facilities in the incorporated area of the CITY for the benefit of the citizens of the CITY;

WHEREAS, Hurricane Laura (Major Disaster Declaration DR-4559-LA) created widespread and catastrophic damage to Calcasieu Parish with unprecedented volumes of hurricane debris;

WHEREAS, Hurricane Delta (Disaster Declaration DR-4570-LA) exacerbated much of the damage Hurricane Laura caused, creating a significant overlap in recovery work from both disasters, with the Federal Emergency Management Agency (FEMA) approving the reporting of debris removal efforts for both disasters as one (1) project;

WHEREAS, FEMA and the Governor's Office of Homeland Security and Emergency Preparedness (GOHSEP) established a one hundred percent (100%) disaster grant funding period for debris removal activities that was not necessarily as beneficial to all applicants in Calcasieu Parish with the legal responsibility of removing debris;

WHEREAS, the PARISH also has the authority under Louisiana Revised Statute 29:727(F)(2) to “utilize all available resources of the local government as reasonably necessary to cope with the local disaster or emergency;” and

WHEREAS, the PARISH and the CITY consider the public benefit of removing debris from roads, streets, alleys, bridges and culverts and other drainage facilities to be proportionate to the costs associated with this activity.

NOW THEREFORE, the PARISH and the CITY do mutually agree to the following terms and conditions of this agreement:

1. Scope of Agreement

In an effort to assist the CITY, which has more limited funding opportunities, with the unprecedented debris removal activities created by Hurricanes Laura and Delta and in order keep roads, streets, alleys, bridges and culverts and other drainage facilities free of hurricane related debris that may create road safety issues or further damage to improved property, the PARISH has agreed to provide one (1) time funding for these extraordinary debris removal activities.

2. Term of Agreement

The initial term of this agreement shall commence upon execution of this agreement and shall continue until the completion of the project listed in the Scope of Work and all payments have been made.

3. Payment Terms

Under this agreement, the PARISH agrees to pay the CITY one hundred forty thousand dollars (\$140,000) to be used specifically to offset the CITY’S unreimbursed hurricane debris removal expenditures. The CITY agrees to ensure that this funding will not be duplicated by any other federal, state or local grant funding source and, if a duplication of benefits occurs, then the CITY will reimburse the PARISH the duplicated funding.

4. Amendments and Assignments

If there is a need to review and/or revise this agreement, the requesting party shall submit a written amendment to the other party, with the understanding that no amendment to this agreement shall be valid unless it is agreed and signed by both parties. This agreement shall not be assignable by either party without written consent of the other, except for assignment resulting from merger, consolidation, or reorganization of the assigning party.

5. Records and Audits

For audit purposes, all records will be made available by both parties to any authorized representative of either party and said records will be retained for three (3) years from the final contractual payment under this agreement. It is also agreed that all records shall be made available to either party at no additional charge for such information. If any confidential information is obtained during the course of this agreement, both parties agree not to release that information without the approval of the other party unless instructed otherwise by court order, grantor, auditor, public information request or as required by law.

6. Liability and Indemnity

This agreement is intended for the benefit of the PARISH and the CITY and does not confer any rights upon any other third parties. All rights by and between the PARISH and the CITY are limited to the actions outlined in the applicable local, state and federal laws, regulations and policies.

The CITY will indemnify, defend, and hold harmless the PARISH, including the PARISH'S employees and agents, from and against any and all claims or liabilities arising from the fault of the CITY, its employees or agents in carrying out the CITY'S duties and obligations under the terms of this agreement. This section will survive the termination of this agreement. In the event that either party takes any action to enforce this mutual indemnity provision, the prevailing party shall be entitled to recover reasonable attorney's fees and costs arising as a result thereof.

7. Termination of Agreement and Dispute Resolution

While both parties agree to negotiate all contractual disputes in good faith, the PARISH and the CITY both reserve the right to terminate this agreement at any time upon written notice of termination. If the parties are unable to independently and satisfactorily resolve any disagreement then both parties agree that any contractual disagreement will be resolved under the jurisdiction of the 14th Judicial District Court for Calcasieu Parish, Louisiana. In the event that court action is necessary then the parties agree that whoever prevails in the litigation is entitled to reasonable attorney's fees and costs as fixed by the Court.

8. Severability, Entire Agreement and Captions

This agreement shall be governed by and construed in accordance with the laws of the State of Louisiana. If any provision of this agreement is held invalid, void or unenforceable under any law or regulation or by a court of competent jurisdiction, such provision will be deemed amended in a manner which renders it valid, or if it cannot be so amended, it will be deemed to be deleted. Such amendment or deletion will not affect the validity of any other provision of this agreement. This agreement, any attached documents, and any referenced documents represent the entire agreement between the PARISH and the CITY and supersede all prior negotiations, representations or agreements, either written or oral. In the event of a conflict between this agreement and other documents, the terms of this agreement shall control.

Each paragraph of this agreement has been supplied with a caption to serve only as a guide to the contents. The caption does not control the meaning of any paragraph or in any way determine its interpretation.

9. No Authorship Presumptions

The PARISH and the CITY have had an opportunity to negotiate the language of this agreement in consultation with legal counsel prior to its execution. No presumption shall arise or adverse inference be drawn by virtue of authorship. The PARISH and the CITY hereby waive the benefit of any rule of law that might otherwise be applicable in connection with the interpretation of this agreement, including but not limited to, any rule of law to the effect that any provision of this agreement shall be interpreted or construed against the party who (or whose counsel) drafted that provision. The rule of no authorship presumption set forth in this paragraph is equally applicable to any person that becomes a party by reason of assignment and/or assumption of this agreement and any successor to a signatory party.

10. Address of Notices and Communications

All notices between the PARISH and the CITY provided for pursuant to this agreement shall be in writing. The name and address of the PARISH'S representative is:

Mr. Bryan C. Beam, Administrator
Calcasieu Parish Police Jury
P.O. Box 1583
Lake Charles, Louisiana 70602

The name and address of the CITY'S representative is:

Honorable, Mike Danahay, Mayor
City of Sulphur
101 North Huntington Street

In the event that the mailing address of the PARISH or the CITY changes during the terms of this agreement, or that there is a change in the designated points of contact, the party with the address change or change of contact shall immediately notify the other party of the change.
