

ATTENTION

Hurricane Laura Private Property Debris Removal and Demolition Program

If your property has disaster generated debris (trees, stumps, vegetation, construction and demolition materials, etc.) that you cannot remove and pose a threat to public health and safety or *if your home has suffered catastrophic structural damage*

Documents you will need to complete the process:

- ✓ Signed and Completed Right-of-Entry Document
- ✓ Proof of Loss or Statement of Loss from Insurance (If Insured)
- ✓ Copy of your Driver's License or Valid ID
- ✓ Copy of tax statement or Deed to Document Ownership

Applications can be picked up and turned in at:

City of Sulphur PPDR Office

1551 E Napoleon St

(Temporary Building on Beglis side of Property)

Please contact a City of Sulphur Representative for any questions or for more information:

(337)258-5168

CityofSulphurPPDR@tetrattech.com

Saturday : 10:00 am – 4:00 pm

Sunday: Closed

Hurricane Laura Private Property Debris Removal and Demolition Program

If your property has disaster generated debris (trees, stumps, vegetation, construction and demolition materials, vehicles, etc.) that you cannot remove and poses a threat to public health and safety or if your home has suffered catastrophic structural damage

Register

Sign up for the Private Property Debris Removal Program at the Parish intake center

Step 1

Step 2

Validate Forms

The City will validate the completed forms and request any additional information if necessary

FEMA Approval

The City will work with FEMA to approve your property for the program

Step 3

Step 4

Property Survey

City Debris Teams will survey your property to develop a scope of work, this will include debris present and a structural damage assessment

Debris Removal or Demolition

Loaders, bobcats and excavators will remove the disaster debris from the property. Or the structure will be demolished.

Step 5

Step 6

Verification

The City will conduct a site visit to confirm completion of the property

Notification

Once the debris operations have been completed, the owner will be notified.

Step 7
