PRESS RELEASE- PUBLIC SERVICE ANNOUNCEMENT

City Officials would like to remind residents of the upcoming Hard Freeze Warning.

- Protect your People, Pets, Plants and Pipes.
- Remember to disconnect any water hoses, wrap any exposed pipes and faucets, and start a small drip of water from the cold-water supply of an inside faucet.
- A boil advisory may be issued if the water supply levels get too low.
- There is also a high risk of bridges freezing. If you come across a bridge that is unsafe, please contact the Sulphur Police Department at 337-527-4550.
