RECITALS

The verbal agreement entered into between the Parties is hereby formalized by the Parties hereto by execution of this document, which agreement includes prior services rendered described herein.

The Parties recognize the vulnerability of the people and communities located within the state to damage, injury, and loss of life and property resulting from disasters and/or civil disturbances and emergencies and recognize that disasters and/or civil disturbances and emergencies may present requirements for equipment, services, supplies, manpower and other resources beyond the capacity of each individual Party; and

The Parties must confront the threats to public health and safety posed by possible terrorist actions and weapons of mass destruction and other incidents of man-made origin, and the threats to public health and safety from natural disasters or man-made events, all capable of causing severe damage to property and danger to life; and

The Parties to this Agreement recognize that Mutual Aid has been provided among them in the past and have determined that it is in the best interests of their local governmental subdivision, themselves and their citizens to create a plan to foster communications and the sharing of resources, personnel and equipment in the event of incidents, emergencies or disasters arising out of natural or man-made events; and

The Parties desire to secure for themselves and their citizenry the benefits of reciprocal Mutual Aid for the protection of life and property in the event of such incidents, emergencies or disasters; and

The Parties wish to make suitable arrangements for furnishing Mutual Aid in coping with such incidents, emergencies, disasters and/or civil disturbances and are so authorized and make this Agreement pursuant to La. R.S. 29:721 et seq., and other applicable provisions of law; and

The Parties recognize that a formal agreement for reciprocal Mutual Aid will allow for better coordination of effort, will provide that adequate equipment and manpower is available, and will help ensure that Mutual Aid is accomplished in the minimum time possible in the event of a disaster or civil disturbance or emergency, and thus desire to enter into an agreement to provide Mutual Aid.

It is expressly understood that any Mutual Aid extended under this Agreement and the operational plans adopted pursuant thereto, is furnished in accordance with the "Louisiana Homeland Security and Emergency Assistance and Disaster Act" and other applicable provisions of law.

The report shall, at a minimum, include a chronology of events and description of personnel, equipment, and materials provided by one Party to the other.
7. COSTS. All costs associated with an Assisting Party's provision of Mutual Aid, including but not limited to compensation for Assisting Party's personnel; operation and maintenance of equipment; damage to equipment; medical expenses; and food, lodging and transportation expenses shall be paid for by the Assisting Party and reimbursed by the Requesting Party at actual cost. Requests for reimbursement must be submitted as soon as practicable, preferably within sixty (60) days of the return of all personnel deployed under this Agreement. Such requests shall identify and provide documentation with specificity each service, labor, or equipment provided and the unit and total costs associated with each. The Assisting Party shall be responsible for creating and maintaining for a period of three years a record of all costs incurred, both reimbursed and unreimbursed costs, in providing aid under this Agreement. Nothing in this agreement, nor the activation of the provisions of this agreement, precludes a Party to the agreement from requesting, through GOHSEP, state and/or federal assistance, and/or the issuance of a gubernatorial or presidential declaration of emergency or disaster, according to the Louisiana Homeland Security and Emergency Assistance and Disaster Act or the federal Disaster Relief Act of 1974 (known as the Robert T. - Notwithstanding the foregoing, the Parties acknowledge that any Party hereto may be a Party to Mutual Aid agreements similar to this Agreement with other parties, including parishes which have Mutual Aid agreements with municipalities within their respective jurisdictions.
15. **INTERLOCAL COOPERATION ACT.** The Parties agree that mutual aid in the context contemplated herein is a "governmental function and service."
