PRESS RELEASE

Edie Littlefield - “The Mission Walker”

Edie Littlefield Sundby became “THE MISSION WALKER” when she walked the 1600-mile El Camino Real de las California’s mission trail through Baja Mexico to Northern California in 2015. Feeling the need to walk and breathe after the 2020 year of pandemic separation and isolation she dreamt of walking the 2,817-mile Old Spanish Trail auto highway paved in the 1920s from “mission to mission” - San Diego, California to St. Augustine, Florida. This dream began coming true as she walked from San Antonio to Orange, Texas in May and June of 2021 and San Antonio into west Texas in 2022.

Sundby began that walk six months after losing her right lung to cancer.

Now, Mrs. Littlefield will be continuing her journey through Sulphur, LA. She began walking the Old Spanish Trail Sunday, February 5th at Old Burn Out Bridge to the Longhorn Truck Stop in Vinton, LA. Today, she carried on through Vinton, 10.5 miles and will be traveling through Sulphur tomorrow mid-morning.

Please be on the lookout for Mrs. Littlefield as we are so excited to have her travel through our city!
