POINTS TO REMEMBER ABOUT YOUR OCCUPATIONAL LICENSE

Every separate location of a business needs an occupational license

Before any alteration is made to the building you must notify the Permit Office

Should the location of a business change?

- Obtain a Certificate of Occupancy for the building into which you are moving
- Notify the License Department of your new address

Contact the License Department when you close your business

A license is only valid until December 31st of the year it is issued

When food is involved, you must contact the Calcasieu Parish Board of Health for an inspection.

A copy of a current inspection is required before licensing.

When alcohol is involved, you must obtain a City and State Alcohol Beverage License
