## **PRESS RELEASE - FOR IMMEDIATE RELEASE**

Dear Sulphur Residents:

As the hurricane debris collection within the City limits of Sulphur has come to an end, we would like to remind you of the correct garbage preparation guidelines to ensure efficient collection. Effective immediately, disposal of any remaining hurricane debris will be the responsibility of the property owner and only the following items are accepted **outside** of your residential garbage container:

- Construction Debris: Wood, carpet, and materials resulting from construction, remodeling, repair or demolition.
  - Must be bundled and only 5 bundles are allowed per service day.
  - Only Residential construction debris allowed.
  - If a Contractor is hired for remodeling, repair, or demolition it will have to be removed by contractor or disposed of by homeowner.
- Bulk Waste: Furniture (including mattresses) that's shape, size, or weight cannot be placed in the garbage container.
  - If the size and weight of the item fits in the garbage container, it must be placed in the garbage container to be serviced.
- White Goods: Refrigerator, freezer, stove, washing machine, dryer, and water tanks.
  - Must be free of all CFCs and refrigerants.
- Loose Brush: Tree limbs cannot be more than 4 inches in diameter and 6 feet in length. They must be bundled and tied and not more than 35lbs in weight.
  - Tree Limbs and Brush are serviced by the City of Sulphur and cannot be mixed with Bulk Waste or Construction Debris.
- Yard Waste: Grass, leaves, flowers, and stalks must be placed in bags not to exceed 50lbs.
