PRESS RELEASE – INCLEMENT WEATHER

Due to the effects of the severe winter storm and unsafe driving conditions all City of Sulphur offices will remain closed Thursday January 23rd, 2025.

Offices will reopen Friday, January 24th, 2025.

There may be continued delays in Waste Management pickup services. For updates, visit wm.com/alerts.

The City of Sulphur urges residents to please avoid all non-essential travel. Ice on roadways can make roads extremely hazardous, even for experienced drivers. If you must drive, proceed with extreme caution and reduce your speed significantly.

Residents should visit Sulphur.org for updated information and continue to monitor weather conditions through local media outlets and the National Weather Service.

In the event of an emergency, please contact 911 or the Sulphur Police Department at 337-527-4500.
